Dear Parents,

Birthday treats for the children

Many children ask if they can bring treats, such as sweets, to school on their birthday, to share with their class and teachers. This is a lovely tradition and a nice way to celebrate birthdays.

However because only certain foods are kosher, it is necessary to restrict the range of treats allowed in school. We also ask parents not to send into school any food that contains nuts, including bags of mixed dried fruits which may contain nut elements.

To promote healthy eating, we have also included Whitworth's Sunny Raisins and Florida's Natural Fruit Nuggets, as healthier options in the list of permitted treats.

Therefore, if you wish to send some treats in for your child's class on their birthday, please choose only from the list below:-

Mars Maltesers
Mars Starburst
Cadbury's Fudge
Cadbury's Chocolate Buttons
Cadbury's Creamy White Buttons
Quality Street Matchmakers Orange/Mint flavours only
Nestle Kit Kat (any flavour except mocha or peanut butter)
Schneider's chocolates (cholon Yisroel)
Whitworth's Sunny Raisins
Florida's Natural Fruit Nuggets

Unfortunately, any other treats sent into school will not be distributed, and will be sent home again.

Thank you for your help,
