

King David Primary School

Faith, Academic Excellence, Community & Equality

20.6.25

Dear Parents and Carers,

### **Security Information**

Please note that on Monday 23<sup>rd</sup> June, the school will be running a practise drill as part of our safeguarding and security procedures. It will be a child friendly invacuation from the playground to inside of the school. The scenario we will use is one commonly used in other schools called, 'There's a dog in the playground.' This is recommended by our Safeguarding Audit for children's mental well-being rather than using an Intruder scenario.

The drill will give the school the opportunity to test our procedures and have robust responses.

This information is connected with your child's safety so please do not share this communication outside of the school community.

### **Year 6 performance tickets for The Jungle Book**

Please note that the tickets are on sale on Parent Money. As communicated in last week's newsletter, paper tickets will be issued the week before the performance. Please ensure you purchase your tickets by 2<sup>nd</sup> July.

**Inset Day - School will be closed for pupils on Thursday 26<sup>th</sup> June.**

Enjoy the sunny weather to make happy memories with your children.

Mrs Owen
